VAN STAAYEN INTERIEUR

For **Niko Intense**, the touch and feel takes centre stage. The range has a minimalist design with soft lines. These give the switch a wealth of character.

The **Niko Intense** Silver, Dark silver and Gold are outstanding in the Intense series. These surround plates are crafted from high-quality materials. The surround plates made of metal are polished and then plated with a layer of chrome (Silver), nickel (Dark silver) or gold (Gold).
